## YOUR TRAVEL PLANS

My travel plans are to arrive at the 'gateway airport' on:

I plan to fly home on:

*Please email your flight itinerary to [phototours@travelimages.com](mailto:phototours@travelimages.com) when available*

**Very Important! Regarding the booking of your flights . . .**

**Please do not book your flights** until the trip is confirmed as a 'go' by us via email. However, it's safe to book flights if the online brochure shows a green check mark. This signifies that the trip has the minimum number and the trip has a 'go' status. If you'd like to confirm this first, send an email to [phototours@travelimages.com](mailto:phototours@travelimages.com).

**Once the trip is confirmed as a 'go'**, please arrange your flight/s to arrive at the gateway airport by the specified local time in the online brochure. In most cases, and because of the travel climate these days, we recommend that you arrive at least one day early. More on this . . .

**Arrival day:** If it's not possible for you to make the appropriate connections and arrive by the commencement time of the tour, please consider arrival the previous day. In fact we recommend arriving a day early for all of our photography tours, but leave it to you to make the final decision. You must arrive no later than the latest time indicated in the arrival window or you may need to make arrangements at your own expense to catch up with the group. This is because we're unable to delay the rest of the group for much time after the arrival window time passes due to photography considerations. Thank you!!

## INSURANCE COVERAGE

**Travel Images** is not responsible for cancellation due to illness, injury, accident, loss, damage or theft, and urges tour participants to arrange adequate insurance coverage. Your insurance coverage should include non-recoverable portions of tour and air costs, plus personal injury and loss etcetera. Your travel agent can provide details and coverage, or there are reputable online comparison sites to be found at [InsureMyTrip.com](http://InsureMyTrip.com) and [SquareMouth.com](http://SquareMouth.com). We have no affiliation with either but have used the latter ourselves.

You understand and agree that travel with a group invariably involves compromise to accommodate the diverse desires, travel goals, personalities, and physical abilities of group members.

You further understand and agree that while itineraries are carefully planned, they are not a guaranteed schedule of activities, events, or participation. However, we will do our utmost to deliver the itinerary outlined in the trip brochure. However, participants must allow for flexibility and changes deemed necessary by the tour leader as there may be situations beyond our reasonable control due to geographic, climatic, physical, or governmental restrictions that will cause further changes in timing, locations, and activities. You understand and agree that there are no discounts or refunds for activities curtailed or otherwise affected by such circumstances.

You have assumed the responsibility to select an activity appropriate to your physical abilities and interests. You are personally responsible for being in sufficiently good health to undertake the activity. By forwarding a signed Enrollment Form and deposit, you certify that you do not knowingly have any physical or other conditions or disability that would create risk for you or other participants. We reserve the right to request a doctor's statement of good health.

You will be responsible for studying all pre-departure information; for bringing all detailed and appropriate equipment and clothing; for conforming to standards of personal hygiene; and, for acting in a manner considerate of fellow group members and the locations and people visited. You understand that we reserve the right to cancel any activity and to accept or decline any person as a member of any photo tour or individual activity. The tour leader's judgment shall provide the ultimate determination of an individual's ability to participate in or to continue to participate in, any activity or program.

Your signature on the Enrollment Form is an acknowledgment of your understanding of your responsibilities and your consent and acceptance of them.
